Welcome
To
Starlight Bay Resort
On beautiful
8th Crow Wing Lake
with boat access to 9th & 10th

Located on the south shore of beautiful 8th Crow Wing Lake, just south of the quaint town of Nevis, you and your group will find 10 comfy cabins and 21 full hook-up RV sites at Anderson's Starlight Bay Resort. Nevis is located right between Park Rapids and Walker so it's just a short drive to the Headwaters of the Mississippi at Itasca State Park or Leech Lake in Walker.

Guests at Anderson's Starlight Bay Resort have easy access from our state of the art, DAKA Wide Five dock system to one of Minnesota's top fisheries. With boat access to 8th, 9th and 10th Crow Wing lakes and river you'll have a great chance to land trophy northern pike and large walleyes. Large mouth bass fishing is second to none. Looking for table fare? The pan fishing is outstanding with solid populations of quality crappies and tons of sunfish.

There is much to do at Starlight Bay Resort. We have almost twenty acres for you to explore. It is mostly wooded with a trail system that hosts a never ending scavenger hunt and the opportunity to see many species of song birds, turkeys, eagles, deer and other small woodland critters. Several pairs of loons call 8th Crow Wing Lake home!

Adults enjoy a nice, sandy beach for those lazy afternoons while the kids go crazy on the Aqua Glide Bouncer with slide and Rockit water toy. Game room has air hockey, ping pong, foos ball, and pool tables. Watch a movie on the big screen TV with free popcorn!

Nearby in Nevis is the Heartland Bike Trail where you can ride your bike to Dorset or Park Rapids. Go east on the bike trail and ride to Walker, then hook up with other bike trails. Shopping, golfing, sight-seeing and excellent dining are nearby Anderson's Starlight Bay Resort. The fine town of Dorset, the restaurant capitol of the world, is waiting for you.
